Read through the New Testament!

THE “ONE-CHAPTER-A-DAY” PLAN

A GREAT and OBTAINABLE GOAL for 2014

Read one chapter a day, five days a week, and at year's end you will have read the entire New Testament.

There are 260 Chapters in the New Testament.
Monday through Friday for 52 weeks makes for 260 days
5 days per week X 52 weeks per year = 260 Days / Chapters

- **Pray:** Before and as you read, asking God to teach and change you.
- **Use this checklist** to see your progress.
- **Use weekends** to catch up if you get behind.
- **This reading order** spreads out reading the four Gospels and is a combination of a chronological and thematic arrangement.
- **Read a different translation.** It is insightful to see familiar texts in new words. Also, use a good one-volume Commentary or Study Bible for help. Refer to them ONLY after much of your own thought and prayer. Journal your insights.
- **What do you have to lose?** The WORST that can happen is that you not finish but end up having read more Bible in 2014. *“If you wanna grow, ya gotta eat”* (1 Peter 2:1-3, Psalm 119:1-11, Psalm 1).

My Pledge: I, _____, with God’s help and for my spiritual growth, commit to read through the New Testament in 2014.
